

May 2020

Congratulations on your acceptance to an Eastland-Fairfield Career & Technical Schools program located at Gahanna Lincoln High School's Clark Hall facility. We look forward to your participation during the upcoming school year.

Below is a bulleted list of items that you **must** complete before you can begin classes with us in the fall.

- Complete the **required** registration form and **return to the GLHS Counseling Office or Mrs. Falk ([falkk@gjps.org](mailto:falkk@gjps.org)) by May 31, 2020.**

  - This Program Student Enrollment Form makes you eligible for the following:
    - A mandatory student ID number
    - The ability to schedule your academic classes with GLHS
    - Eligibility for a parking pass

- Once your form is completed and returned to the GLHS Counseling Office, I will contact you to schedule your classes. The scheduling of classes can be done over phone or by email. This will be done prior to Thursday, June 11th, my last day for the 2019-2020 school year.
- Attend a schedule pick up session in the fall:

- |            |             |                                  |
|------------|-------------|----------------------------------|
| ○ SENIORS: | August 10th | Last Names A-M: 8:30-11:30; N-Z: |
|            | 12:30-3:30  |                                  |
| ○ JUNIORS: | August 11th | Last Names A-M: 8:30-11:30; N-Z: |
|            | 12:30-3:30  |                                  |

**\*\*PLEASE NOTE: The student is required to know his or her graduation requirements. Please see your home school counselor to obtain these requirements. Our process only allows students to take classes at Gahanna Lincoln - it does not make them a Gahanna Lincoln student. Students are still active members of their home schools.\*\***

Many school districts combine Government and Financial Literacy into one class to meet state graduation requirements. **At GLHS, Government and Personal Finance are offered as SEPARATE classes.** If you choose to take your classes full day here, you will have to take **BOTH** classes to fulfill the state financial literacy requirement.

Welcome to Gahanna Lincoln!  
Please contact me if you have any questions.

Kalena Falk
